  - aka. *The Perl and Raku Foundation*
- inget Perl dev-room 2023
  - men en “booth”
  - och stipendium till talare
- Community dinner
  - och en organizers dinner
    - en svensk, en holländare, en amerikan och en ukrainare
    - norrmanen och engelsmanen dök aldrig upp
    - den italienska kyparen kan eventuellt ha hetat Bellman

# Samtal

- “Perl is a write-only language, right?”
- “What’s the primary use case for Perl/Raku?”
- “What’s the difference between Perl and Raku?”
- “What’s the difference between Perl 6 and Raku?”
- “Which Raku book is best for beginners/intermediates?”
- “What’s a Tuit?”
- “How much for the butterfly plushy?”
